

## Who we are?

The HAVANA CONNAISSEUR offers a range of different high end programs for INCENTIVES, GROUPS and FIT's, who want to relive the era of the 1950s in Havana and experience the beauty of CUBA. The programs are directed by 2 EUROPEAN AGENCIES BASED IN HAVANA, who have committed themselves to quality and excellence of service:

CUBA AUTREMENT (French Agency)

Main markets: France, Belgium and (French speaking) Switzerland

Contact: Stephane Ferrux at [stephane@cubaautrement.com](mailto:stephane@cubaautrement.com)

CUBA REAL TOURS (Swiss German Agency)

Main markets: Germany, Austria and (German speaking) Switzerland

Contact: Bernd Herrmann at [bernd.herrmann@cubarealtours.com](mailto:bernd.herrmann@cubarealtours.com)

Feel free to contact any of the 2 agencies according to your preference. Each agency has English speaking; multilingual staff and can also serve inquiries from any other country or market around the world.

### Please note:

As all two agencies work together under the brand name of HAVANA CONNAISSEUR, each inquiry for the HAVANA CONNAISSEUR will be automatically reported to the other agencies in order to avoid double quotations. In special cases (e.g. very big international incentives or events) we can also offer you to work together with 1 or 2 agencies in order to secure more quality, multilingual attention and enough professional European staff in the field. In this case there are no additional costs, because the profit will be shared between the agencies involved. The co-ordination will always be done by the one agency of your choice.
